

Keys to Quality

A Project of the Child Care Planning Council of Yuba and Sutter Counties

Quality child care

is provided by consistent, nurturing educators who create environments in which each child and family experiences acceptance and respect.

Education

Age appropriate activities and curriculum are purposeful, playful, and challenging

Learning opportunities promote the child's success in school

Professional workforce trained in early childhood education

Relationships

Recognition and respect of the qualities, abilities, and potential of each child

Positive relationships with all children and families

Open communication and cooperation between home and the early childhood program

Environment

A safe, healthy, and nurturing environment

Supports the health of children through balanced nutrition and physical activities

Stimulating environments which foster children's development
